

Great Lakes Maritime Research Institute

A University of Wisconsin - Superior and University of Minnesota Duluth Consortium

Supporting Sustainable Maritime Commerce on the Great Lakes

Photo by Chris Benson

The Great Lakes Maritime Research Institute brings together the strengths of the two host universities, along with the research capabilities of other Great Lakes Universities. Established in 2004, the Institute has been designated by the U.S. Department of Transportation's Maritime Administration as the National Maritime Enhancement Institute for the Great Lakes.
